

Welcome to the 2024-2025 indoor season! Now that everyone is settling into the groove of our regular sessions it's great to reconnect with old friends. We have been blessed to have a significant number of new players this year - a special welcome to all of the new CTS members. It is always great to share our love of the game with new people, who bring new skills to challenge us.

Our Executive this year has some new faces as well as some previous ones. Thank you to last year's crew for their service as well as all who stepped up to help guide us this year. Also a huge shout out to this year's session coordinators. Matt, Lauren and Besette have been joined by Harjot and Amrinder in that role.

I would like to invite everyone to the Club Christmas potluck on December 7 up in the Loft at the Landing. The fare at our potlucks never disappoints.

I also want to remind everyone that our online presence, via website, Facebook, and Instagram, is full of good information about what's going on. I will be dipping my toe into Internet notoriety with a blog on our website in the next few days. The first topic will be "When should I change my strings?" If that's a question you've asked, check it out. We also hope to announce a few upcoming events in the next while.

The last point is about you - the CTS is your club and we do want to hear back about what's working for you and what's not. Also your input as to events you would like to see happen would be very much appreciated. You can get back to us through your session coordinators, executive members, or even through "contact us" on the website or other social media options.

Have a great indoor season.

Mark

## Indoor Tennis 2024-2025

It was a busy registration process this year, including one new booking time - 2 courts, Thursday evenings, 7:15-9:00 pm.

We have a great group of new players, including for the first time a group of new-to-tennis players. Over the last month more people have signed up to play. It's also great to see some players who have been away for a while, back on the courts again!

### TIP FOR SPARES

If someone asks you to spare, **PLEASE REPLY YES OR NO**, so they know the message was received.

*That helps the process A LOT!*
